General
Training attendance is limited to 120, but will probably be 70-100 (it may be set lower than this if the situation requires). Each participant is put on one of 5 – 8 teams. Most teams are about 15 people. Members of these teams are generally the best trained Ambassadors. Only the Host Congregations & Housing Coordinators need to concern themselves with the fact that not all the teams are the same size. They relay to certain congregations that a smaller number of persons will be hosted or housed.

The 120 maximum attendance has not been reached recently, but using that figure, there could be 8 teams of 15. Our goal is 5-6 teams of 15. Usually smaller teams are assigned to the most distant host congregations, or to the smallest host congregations, or to a host congregation whose members, because of distance, cannot provide housing. In the latter case, extra housing for these teams is sought among the closest host congregations. Hosting/housing of about a 15 member team is always promoted first, then the option of having a smaller team is suggested where it appears most needed.

Conference Site needs:
- 5-8 rooms large enough for small group activities of 15 person teams
- 1 room to set up an OAFC central office
- Place to set up Registration
- Sanctuary or large meeting space
- Cafeteria for preparing and serving meals
- Identify likely place for Recreation Night – like a local park, etc.
- Plan Opening Worship (Conference Site Pastor preaching preferred)
- Evaluation of Technical Abilities for workshops (which rooms have projectors, etc.)
- Promotional Plans (posters, bulletin inserts, circuit meetings, etc.)

Summer Training: Housing
Local congregations are asked to provide housing for 15-20 youth per congregation. This generosity not only helps save in housing costs, it provides both you and your guests with many opportunities for fellowship and ministry. Responsibilities of a host family include:
- Provide housing for 2 or more guests for 6 nights: Thursday-Tuesday.
- Provide or arrange for daily transportation to/from designated car-pool meeting point. Drivers should be over 21.
- Provide a comfortable place for guests to sleep. Youth can share rooms (obviously only of the same gender).
- Provide a simple breakfast each morning.
- Provide guests an opportunity to launder clothing, if needed.
- Guests are told to be in bed and asleep no later than 11:59pm each night. You may encourage that to be earlier with your individual schedules.

Canvassing
The Ambassadors will bring with them all the survey materials: survey, tally sheets, training methods, etc..., local congregations are asked to assist by the following:
- In the weeks prior to Training to encourage their members to join OAFC in canvassing your local neighborhood the Saturday of Summer Training.
- Plan to provide survey maps of the area to be covered in canvassing, about 8-12 survey areas, each marked on a separate map, of approx. 30-40 homes.
- If desired, include church information such as fliers and tracts, that can be handed out during the survey.
- It is recommended that you include a church stamp to put the church address on the back of our
pamphlets
- For prospects, please have church stationary and envelops, pencils and a stapler.

A “mass survey” involves all participants along with members of Host Congregations canvassing one general area in the training vicinity, usually during a 1 ½ hour time period. Each of the participants is put on one of 7-8 “Team Groups.” This equals approximately 15 persons per team. Each team group trains together during the week. Most of the activities, even those that involve all the participants, are normally done according to the team groupings, making logistics easier. This is true for the mass survey - it is planned in such a way that the entire survey area is divided into 7-8 areas, and all the participants are dispersed into the area by team groups.

The mass survey is usually done on behalf of one congregation or for the District to assess the need for a new mission. One facility is designated as the “survey base station.” This may be the Summer Training facility or it may be a different facility more convenient to the survey area. (If a different facility is designated, it may be desirable for the OAFC vehicles to stop here first, then head out into the neighborhoods. But time will not permit having all the Ambassadors unload from their vehicles, go into the facility for instructions, reload, and then go to their areas. Pre-survey instructions are best given at the Training site, then, if still needed, on-site instructions can be given to the vehicle drivers at the base station as they alone step out of their vehicle.)

Sunday Worship and Bible Study
Local congregations are encouraged to include OAFC in their worship and Bible Study times for the encouragement of your members and the praise of our Lord. There are many ways this can be done.
- Bible Study
  o Youth can lead a Sunday School opening with Christ-centered songs for any age range.
  o Youth can lead a Junior/Senior High Bible Study.
  o Youth and Adults can lead an Adult Bible Study on OAFC and Lutheran Witnessing, in general.
- Worship
  o We ask that we are allowed to briefly describe OAFC and what we did that weekend, give the results of the surveys, request prayer and financial support, and encourage continued activity with OAFC around the time of the offering and prayers (especially so that the congregation can pray for those to whom we witnessed).
  o As part of a longer presentation, youth can demonstrate the survey for the congregation through a Mock/Example Call.
  o Youth can sing pre-service, post-service, offering, or Communion hymns.
  o Youth can lead congregation in the singing of hymns from our Songbook (because those are the ones for which we have guitar chords).
  o Youth can present a puppet show or drama such as for a children’s message.

Care Facility/Nursing Home Presentation
The purpose of the Nursing Home Presentation is to reach out to as much of your local community with the Gospel, especially those often forgotten, as well as to expose youth to the need to remember and visit and still proclaim the Gospel to those in such facilities.
- The Summer Training Conference is asked to schedule a presentation time on Saturday afternoon with about 6 of their local nursing homes for a 30-40 minute devotional presentation – usually described as singing Songs, Scripture readings, and Devotions.
- Should be scheduled at least 2 weeks before the start of Summer Training.
- Please provide a map with directions to the nursing home for the OAFC team.

After Summer Training
Local congregations are encouraged to schedule a future weekend at their congregation for some time in the following year or two, so as to support the ministry of OAFC locally and to grow and strengthen your own youth and adults for witnessing Christ in a Lutheran way. Contact the OAFC office for more information about scheduling weekends and about local leadership in your area.

**Question for Consideration:**

*If you count the door offering in the tabulations for Summer Training, we took in $2,500 more than we spent for Summer Training in 2015. But if you don’t count the door offering, we were $885.77 short. This was compensated for by the Grant of $1,500 we received from LCMS Youth.*

- Should we factor in the door offering as part of Summer Training inflow or general fund? If so, we break even on Summer Training. If not, we are running under budget, and need to reevaluate registration.
- **Decided:** we will factor the door offering into the Summer Training budget and not into the general fund/salary budget.

**ST Recruitment Mailings Budget:**

*Within a radius of 45-60 miles from each conference site, there are typically 100 churches.*

OAFC Summer Training 2016
St. John Lutheran Church, Seward, NE

Neighborhood Canvassing

Learn an easy way for your church members to make cold calls in your community. Invite your members, young and old, to come learn and go into your communities with OAFC. Saturday for the Conference Site and Sunday afternoon for hosting churches.

Witnessing Resources

During Summer Training, participants are equipped with great resources and training to share the Faith with their friends, relatives, neighbors, and acquaintances in their everyday lives. Local church members are welcome to join us for any training activities for free.

Community Engagement

Join us for our many open-to-the-community events during training, such as our 2 worship services Friday the 22nd at 4p and Tuesday the 26th at 6:30pm at St. John Lutheran in Seward. Or come with us to local Nursing Homes. Saturday afternoon in Seward.

Keynote: Mercy in Ferguson, MO

It’s been hard. Hearing words like, “Too merciful, even as your father is merciful. Judge not, and you will not be judged; condemn not, and you will not be condemned; forgive, and you will be forgiven,” from Luke 6:36-37. Living in a town where people from all over the country, all over the world, came to protest, cause disruption and harm. Living in a town that will forever be under a microscope for the actions of some (be they racist or voters). It’s hard not to judge. Not to condemn. It’s even harder to forgive. But that is what God has called us to do. That is who God has called us to be. Join me in an honest conversation about Ferguson, race, mercy and forgiveness.” —Jennifer Knapp

OAFC is a youth evangelism RSO of the Missouri Synod that exists to grow faith in our congregations - especially our youth - by sharing the Faith with the unchurched through regional outreach weekends and national training conferences.

Publicity Tract Trifold

Outreach Oriented

Some conferences just sit and talk. This one prepares and then puts our participants out on the streets to share the Gospel with the community, along with learning ways for sharing the Faith back at your local church and in their daily vocations.
