O AFC SUMMER TRAINING  
2019

## July 26th-30th Hamburg, MN

For nearly half a century, O AFC has been helping to nationally strengthen LCMS churches by providing training and experience for members of local congregations in the areas of Evangelism and Outreach. This year, our national training is at Emanuel Lutheran Church in Hamburg, Minnesota. Participants will be able to attend workshops on tools like Music, Puppets, Drama and Bible Study as ways to do outreach. They will also knock on doors in nearby neighborhoods in order to learn what people really believe and participate in other outreach events to share our hope that is in Jesus!

**This years music workshops are being led by Dave Horn. He will be giving a concert free to attendees and teaching how he uses music and singing to share of Jesus love and forgiveness!**

Registration fee is \$50 for single, \$200 for family. This includes, food, housing, a concert, and a T-shirt for the event! To register go to [www.oafc.org/summer-training](http://www.oafc.org/summer-training)
